

HONGQI

A presence that reflects authenticity

Discover luxury combined with exceptional performance with the Hongqi HS7. Modern design reflects the power of innovation, and performance that is in harmony with the requirements of the modern family.

Energy that inspires you to take off:

2.0L 4-Cylinder
Turbocharged Engine

8-Speed Automatic Intelligent
Transmission for Perfect Response

252 Horsepower for Smooth
and Superior Performance

380 Nm Torque, for an Enjoyable
Driving Experience on All Roads

Average Consumption of
8.18 Liters Per 100 Kilometers

4WD: For Stability and Flexibility
No Matter the Conditions

*The Comfortable trim comes with a
2WD front-wheel-drive system.

The Hongqi HS7 captivates with its exquisite details; it is more than just a beautiful design, it is a reflection of strength and beauty.

Modern LED lights with an attractive design to illuminate the road in an elegant style

A luxurious front grille that carries the distinctive Hongqi identity

20-inch aluminum sports rims that enhance the appearance

Chrome touches add a dynamic and bold character

Connected rear lights
show modern details

A smart trunk that opens electrically
with a sensor to open the trunk with
the foot to give you absolute comfort

Every corner of the Hongqi HS7 tells
a story of creativity, and every line
embodies the moving luxury on the road,
Bold curves to reduce air resistance

Head-up display (HUD)

Nappa leather seats are designed to provide you with maximum comfort, even on the longest journeys with ventilation and cooling systems.

12.3-inch digital meter screen

12.6-inch central entertainment screen

Wireless charger allows you to charge your devices easily and quickly on the go

Integrated 12-speaker surround sound system from Dynaudio that gives you a captivating audio experience

*Specifications vary by category

Independent air conditioning control system distributed
over three zones: two front zones & a rear zone

253-color ambient lighting

A panoramic roof that fills the cabin with
natural light for ultimate comfort

Elegant tables for the rear seats add
comfort to the passengers
